

# Initial View of Bobcat Chat

The screenshot shows the 'Bobcat Chat - The Writing Center | Acrobat Connect Professional' window. It features four main pods: 'Camera and Voice' (top left), 'Attendee List (2)' (bottom left), 'Chat' (top right), and 'Share' (bottom right). The 'Attendee List' shows 'Bobcat Chat Tutor' and 'Boko'. The 'Share' pod is active, displaying a dialog box titled 'What do you want to share?' with three buttons: 'My Computer Screen...', 'Documents', and 'Whiteboards'. A black circle highlights these buttons, and a white callout box with a black arrow pointing to the buttons contains the text: 'Please do not click on these buttons. Your tutor will upload your paper.'

Sometimes the pods (windows) may be arranged differently, but all four pods will be on the screen.
